

Klára Anna Šindlerová

About me

I'm third year student of mathematical modeling at Charles University in Prague. I have also lot of experiences with working with people as I'm working part-time as climbing instructor for kids (HO Namche) and I'm part of leadership of scout troop (Amazonky).

personal

Klára Anna Šindlerová
nationality: Czech
2003

Areas of specialization

- Mathematical modeling
- Programming • Climbing
- Management

Interests

My main outside work interest is climbing, scout and other nature related activities in general. Also painting, drawing and crocheting.
